SENATOR DWORAK: No, Senator Burbach, we're not talking about the same thing. I'm saying the fees now in existence for nonresidents are \$15 and \$5. You want to lower the fees from \$15 to \$10 and \$5 to \$3. I'd be willing to go along with keeping them just where they are.

SENATOR BURBACH: Offer the amendment and I'll agree with you.

SENATOR DWORAK: It's here, it's ready.

PRESIDENT: Any further discussion? The question is the adoption of Senator Burbach's amendment. Record your vote.

CLERK: I have an amendment to the amendment. It's to strike "\$10" and insert "\$15". Strike "\$3" and insert "\$5". Senator Dworak.

PRESIDENT: Recall that last vote then that was not put to you. Senator Dworak.

SENATOR DWORAK: Well there's no sense debating this any farther, it's just what Senator Burbach and I talked about. He's willing to keep it at \$15 and \$5. I'd urge the adoption of this amendment. We're talking only about the Missouri River.

PRESIDENT: The question is the adoption of the amendment to the amendment. Record your vote. Record. Majority vote. Record.

CLERK: 25 ayes, 2 nays.

SENATOR BURBACH: (mic not turned on) amendment as amended.

PRESIDENT: Any discussion to that motion? Record your vote. Record.

CLERK: 25 ayes, 1 nay.

PRESIDENT: The amendment is adopted. Senator Dworak.

SENATOR DWORAK: I move that LB 861 be advanced to E & R for engrossment.

PRESIDENT: Discussion? All in favor say aye, contrary say nay. The bill is advanced.

CLERK: Mr. President, we had a motion pending on LB 665 by Senator Chambers. He was out of the room at the time we took it up. The motion is to return LB 665 for a specific amendment to amend 665 as follows: (Read Chambers amendment found on page 986 of the Journal).

PRESIDENT: Senator Chambers.
